

# DAY 2 - DISCUSSION QUESTIONS

1. What was the most **useful** or **helpful** part of this exercise for you?
2. What was the most **difficult** or **challenging** part of the exercise for you?
3. What **surprised** you the most about working with the climate data?
4. What is the most important thing that you **learned** or that you will **take away** from this exercise?
5. In the future, will you be using the plots you made and/or your the ability **to do more analyses**? Why or why not?
6. If you could **add to** or **change** one thing to improve the usefulness of this exercise, what would it be?
